Parent Information Note:

Staff accompanying students on excursions will take all reasonable care while the students are in their charge to protect them from injury and to control and supervise their behaviour and activities. Parents/guardians should be aware that staff members are not responsible for injuries or damage to property which may occur on an excursion where, in all circumstances, staff have not been negligent.

In the case of excursions not involving an overnight stay, costs incurred as a result of accident or illness is the responsibility of the parent/guardian.

The school camp/excursions insurance policy applies for approved camps/excursions involving an overnight stay. The policy covers students to a maximum of \$10,000 for medical and ancillary expenses where Medicare or private health insurance does not cover these costs.

Parents are required to inform the organisers well before the scheduled excursion departure of any change to their child's health and fitness so that appropriate supervision may be arranged. Where it is considered necessary, school staff will arrange medical assessment and treatment for students.

- In the event of an emergency as identified by a designated staff member of the school.
- A designated staff member of Rockingham Beach Education Support Centre will be identified to transport your child to or from an excursion in the event of a behavioural incident or emergency.
