

Rockingham Beach Primary Campus

Uniform Policy

The Rockingham Beach Primary Campus community believes a school dress code:

- Fosters and enhances the public image of the campus.
- Assists in building school and team spirit.
- Allows quick identification of our students and promotes a safer school environment.
- Ensures students are safely dressed for specific school activities.
- Promotes equity among students; and
- Fosters an understanding amongst students that being suitably groomed is an expectation of any future workplace.

The School Board strongly supports the school in insisting that all children wear approved school uniform, with particular reference to excursions and interschool sporting activities. Students not following the dress code may be denied the opportunity to represent their school at official school activities including choir, sporting, and social events.

Children are required to wear **suitable footwear** for health and safety reasons. Appropriate footwear included sandals, joggers, shoes, and socks. Inappropriate footwear including high heels or platform shoes, thongs, or slip-ons and ugg boots. Sandals are not considered appropriate during winter and autumn.

Make-up and Hair Styles:

When students are in uniform, make-up (mascara, nail polish etc) is not to be worn. While the school recognises that students may like to express their individuality through wearing a range of hair styles, radical hairstyles are discouraged and the colouring of hair (with the exception of temporary colouring for school sports days) is not acceptable or compatible with the school uniform philosophy.

Jewellery

Department of Education policy discourages the wearing of jewellery to school. Dangling earrings, long necklaces and bracelets can become a personal safety issue. If children need to wear rings or bracelets for health or specific reasons, parents are requested to write a note explaining the reason. No responsibility will be accepted by the school for the loss of damage of jewellery.

Modification to the Dress Code

Students who, for religious or health reasons, may wish to modify the school dress code are required to make an appointment with the Principal. Staff will be informed of any student granted modification to the dress code.
