

5th February 2024

Dear Parents/Carers

Congratulations, your child has been selected to join the Schools Alive Choir for 2024. The choir consists of students from several Education Support Centres. As the choir is a performance troupe and the students are ambassadors for our school and the education support community in the Rockingham/Peel region, it is expected that children who attend the choir are well behaved and committed to attending the choir practices and all performances.

The students will have rehearsals on **Mondays** throughout the year, commencing on the **19th February 2024**. These rehearsals will be held at RBESC. Students will also have the opportunity to perform at various other events/venues throughout the year.

Parents/carers are welcome to attend concerts with dates and locations being advised as soon as events are booked. A separate permission note will be sent home for these performances.
